NOTE.

The Collection of Trials and Legal Pamphlets catalogued in the following pages is remarkable not only for its unprecedented extent, but in an equal degree for variety.

So large a variety has perhaps never appeared in any American sale, and the number, of infrequent occurrence, that may fairly be called rare is unusually great, examples of which might be pointed out, but the diligent seeker will not fail to discover them for himself.

The Collection is the result of many years of persistent effort to procure a complete series of American Trials, and, as will be noticed, Foreign Trials have not been overlooked or neglected.
